NEW

THE ULTIMATE POWER OF HAMMER DRILLING

Premium multi-cutter for reinforced concrete with best performance.

heller
PREMIUM TOOLS

- Up to 4x more robust than the competition* thanks to embedded solid carbide head
- Up to 10% faster drilling in concrete**
- Improved drill dust transport thanks to new helix design and optimised grooves in the head
- Up to 1500 drill holes in concrete***
- Available with SDS-plus and SDS-max connection
- Distinctive, patented double-centre tip ensures easy, precise drilling
- No snagging on reinforcement due to backwards curved cutting edges

* compared to the market average for premium multi-cutters

** compared to the already market-leading predecessor

*** tested with 6x160mm

NEW:
NOW UP TO 50MM
AVAILABLE

- ✓ Improved, seamless cutting geometry
- ✓ More robust on reinforcement
- ✓ Enlarged drill dust grooves

- ✓ Improved speed
- ✓ More pronounced double-centre point
- ✓ More precise hole centring
